Chief, Geographic Research, ORR

6 August 1957

Chief, Photo Intelligence Division, ORR

Visual Reconnaissance Flight

1. This office is presently conducting a Photo Interpretation Training Program for Agency personnel. The program of instruction scheduled an air flight intended to allow the students a visual check of targets similar to those they have studied on aerial photographs. Through the cooperation of [redacted] the flight was successfully accomplished on 31 July 1957.

25X1

2. This office wishes to herein record its appreciation for the cooperation and assistance of those A.M.D. personnel who contributed toward making the flight the high point of the course of training. We are particularly indebted to [redacted] for his understanding assistance and to [redacted] ready understanding of the purpose of the flight, his flight planning, his aircraft operation, and his pilot comment via the aircraft PA system made the flight a truly successful and gainful operation.
